

VISITING EXPERT IN PAEDIATRIC MEDICINE

Dr Heidi M Feldman is the Ministry's FY 2010 HMDP visiting expert in Paediatric Medicine.

Her HMDP Programme is scheduled from 11-19 Oct 2010.

ABOUT HMDP EXPERT

Dr Heidi M Feldman MD PhD is the Ballinger-Swindells Professor in Developmental and Behavioral Pediatrics at Stanford University School of Medicine. She is also the medical director of the Developmental and Behavioral Pediatric Programs at Lucile Packard Children's Hospital

Dr. Feldman's reputation as a scholar and champion of children is well established. She has been among the most well recognized specialists in Developmental and Behavioral Pediatrics in the US for many years and was recently one of five editors of the primary textbook used by the subspecialty titled 'Developmental-Behavioral Paediatrics 4th edition'

Her experience in program development and review, research, clinical care and training is exhaustive. In particular she has extensive experience in working on issues related to developmental disorders of language and their implications for learning and in the follow up of high risk newborn populations. These are the foci of her current grant funding and research.
