

Visiting Expert in Dermatology

Dr John Alexander McGrath is the Ministry's FY 2010 HMDP visiting expert in Dermatology.

His HMDP Programme is scheduled from 17-22 May 2010.

About HMDP Expert

Professor McGrath is a leading authority in inherited skin diseases with blistering, is currently Professor of Molecular Dermatology at The Guy's, King's College and St Thomas' Hospitals' Medical School. He is well known for his research in Molecular biology and pathology of inherited skin diseases. Prof McGrath will be able to impart his experience and expertise in these areas to local dermatologists and trainees in dermatology and paediatrics. He was instrumental in the setting up of a genetics laboratory in St John's Institute of Dermatology in London.

HMDP Programme Schedule

The HMDP programme is attached.
