

Visiting Expert in Public Health

Dr Graeme Young is the Ministry's FY 2010 HMDP visiting expert in Public Health.

His HMDP Programme is scheduled from 24-27 May 2010.

About HMDP Expert

Professor Graeme Young is the Professor of Gastroenterology from Flinders University, Australia. He is internationally renowned in the field of colorectal cancer (i.e. prevention, evaluation and risk profiling). He serves as an advisor to government bodies of Australia, New Zealand, United Kingdom, France and the United States, on aspects of prevention of colorectal cancer and the establishment of screening programmes. He is also actively involved in National Committees or boards including the Australian Bowel Cancer Screening Programme, NHMRC, and the National Cancer Control Initiative.

HMDP Programme Schedule

The HMDP programme is attached.

Please circulate this e-mail and HMDP programme where relevant to members in your association or professional bodies.
