

# 2015 FAMILY MEDICINE TEACHERS' CONFERENCE

Dear Friends and Colleagues,

Trainees from the Family Medicine Fellowship Programme 2014 - 2016 are working together with College of Family Physicians Singapore to organise a Medical Pedagogy Workshop this year in conjunction with the celebration of World Family Doctors' Day (WFDD). This is a special day to commemorate the important role and contribution of Family Doctors from all around the world.

Family medicine in Singapore has grown and evolved rapidly, especially in the recent years. Teaching will continue to be a core area so as to upkeep standards and vigour. Through this workshop, medical pedagogical skills will be imparted to Fellowship Programme trainees and medical educators within the Family Medicine community.

As Singapore celebrates SG50, we will also walk down the medical pedagogical memory lane together with our Family Medicine teachers and pay tribute for their hard work and commitment to medical education over the past decades.

We would like to invite you to join us at this enriching and meaningful workshop, which will be held on **Saturday, 23 May 2015** at the **NUS-Shaw Foundation Alumni House**.

We are happy to inform that registration is **exclusive and at no cost** to College members or FM residents. CME points will be awarded for attendance. The workshop will also culminate with a WFDD Dinner held at the adjacent **NUSS Kent Ridge Guild House** for a delightful evening with fellow members of our Family Medicine fraternity.

We very much look forward to your participation. Please email us at [fm2015@cfps.org.sg](mailto:fm2015@cfps.org.sg) for registration details. The closing date is **15 April 2015**.

THEME	TRACK	MAIN		
Assessment	Venue	Auditorium
